SUMMARY

I'm a B.Tech student specializing in Computer Science and Engineering (AI & ML) with a strong interest in Artificial Intelligence and Machine Learning applications. Gained knowledge in ServiceNow CSA (Administration) and currently training as a ServiceNow trainee. Expanding technical skills through Pega (beginner level), Java basics, SQL fundamentals, and front-end technologies (HTML). I'm an enthusiastic learner eager to apply knowledge in AI/ML to impactful real-world projects.
